Northstar will speak for himself. Be assured he's from one of our best cows and that both his dam and sire are high quality animals. His pedigree rests on sound animals that should guarantee his breeding on. Birth weight was 65 pounds. Weaning weight will be furnished on sale day as well as other data. His dam particularly caught Ben Morgan's eye on a recent visit.

LOT NO. 2**MALE****SCENI-VALE RODNEY 6th**

Red, W. H. McCeney, Jr.

Sceni-Vale Rodney 6th is a bit young, but he has a lot of potential and will be ready to work when Spring comes. The Consort/Rodney cross has been most successful for Timberlee. Windholme's sire, Rodney 25th x, who is bred just like this calf, has sired the undefeated Get of Sire in 1970! The dam of this fellow is a full sister to the 1962 International Grand Champion Female. How many young sires can make that claim?

Brigadier came at the side of one of our foundation cows and from our top cow family, the Beauty Mary's. He was weaned at six months and put on a half feed. At nine months of age he weighed 800 pounds, at which time he was sold to a commercial breeder. Space doesn't permit all his claims, but he was recently brought back for use in our herd because I know not one bull in a hundred would have developed better or bred better under the conditions and work load that he was subjected to. While his past has left it's mark, I decided to let him go so that he can continue to credit the breed. He's big, has exceptionally sound feet and legs, is an unerring cow settler and is unusually well behaved.

Zeigler's Conrad — One look at this bull will tell you more than any lengthy footnote can say! If you're looking for a massive, proven, sound sire, your search can end right here. We have used him extensively and are offering him only because of our polled breeding program. We are retaining one-third interest and one-third possession.

STANDARD GUARANTEE

Endorsed by

AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as the service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
